

As retired First Responders deeply committed to honoring the memory and legacy of our fellow brothers and sisters, we are embarking on a significant journey. In the summer of 2026, we will be cycling 3,000 miles along the Mississippi River Trail (MRT), a challenging endeavor through which we aim to raise both awareness and crucial funds for organizations that hold immense significance to us.

The organizations we are proud to support through our journey are the National Fallen Firefighters Foundation, C.O.P.S. (Concerns of Police Survivors), Honor365, and The Honor Network. Each of these organizations embodies a vital mission aimed at honoring the service and sacrifice of our nation's heroes while providing essential support to their families and colleagues.

Our overarching goal is to raise a minimum of \$25,000 for each of these esteemed organizations, contributing to their invaluable work in various ways:

- The National Fallen Firefighters Foundation is dedicated to honoring America's fallen fire heroes, supporting their families, colleagues, and organizations, and striving to reduce preventable firefighter deaths and injuries.
- C.O.P.S. is committed to rebuilding shattered lives affected by line-of-duty deaths among law enforcement officers, providing crucial support to survivors and co-workers.
- Honor365 provides resource and referral services to veterans, first responders, and their families. Their vision is a world without suicide.
- The Honor Network, represented by the United States Honor Flag, works tirelessly to honor the life, service, and sacrifice of America's heroes while educating youth on the significance of patriotism, while inspiring all Americans to strive for a country where diversity and inclusion serves all.

Our passion, drive, and purpose lie in ensuring that the lives, service, and sacrifices of our fallen comrades are always remembered. We sincerely hope that you will consider joining us in supporting this noble mission. If you wish to contribute to our cause, donations can be made through [www.USHF.net](http://www.USHF.net), where selecting PC2 from the dropdown box on the donation link will direct your support to our fundraising efforts.

To stay updated on our journey and progress, we invite you to subscribe to The Honor Network's social media – Facebook, Instagram, and YouTube. For real-

time tracking of our progress, Glympse will be providing live GPS tracking of our cycling expedition.

Should you have any questions or require further information, please do not hesitate to reach out to us directly at the provided contact details.

Thank you for your consideration and support.
